

HRV / ERV SYSTEM

Breathe Cleaner Indoor Air

Core cleaning, filter service, and airflow balancing.

★★★★★ 5.0 | "Best cleaning service in Halifax" -- Google Review

STARTING AT
\$129

- BBB A-RATED
- LICENSED #4615849
- ECO-FRIENDLY PRODUCTS
- 100% SATISFACTION GUARANTEE

Is your HRV struggling with stale air, fog, or odours?

Nova Scotia's energy-efficient homes are tightly sealed -- your HRV or ERV is the only way fresh air gets in. When the core clogs with dust and moisture, your ventilation drops and humidity builds. Annual cleaning restores balanced airflow and protects your home from condensation damage.

WHAT'S INCLUDED

Complete Deep Clean Service

- 1 Core Removal & Cleaning**
Heat recovery core removed, washed, and dried for full airflow restoration
- 2 Filter Assessment**
Filters inspected, cleaned, or replaced to maintain air quality
- 3 Condensate Drain Flush**
Drain lines and pan cleared to prevent water damage and freeze-ups
- 4 Airflow Balance Check**
Supply and exhaust measured and adjusted for optimal performance
- 5 Full System Inspection**
Motors, dampers, wiring, and housing checked for wear or damage
- 6 Written Performance Report**
Airflow readings and service details documented for your records
